

Feilhauer's Machine Shop is family owned and operated. For over 36 years, Feilhauer's has been committed to customer's needs in all aspects of manufacturing. Whether your quantity is 1 or 1,000, we have the machining capabilities, waterjet capabilities and the fabricating capabilities required to do the job. Our experience and expertise keeps quality at a high level while keeping our pricing low.

Feilhauer's is committed to continual investment in the latest technology from CNC machining to state of the art inspection equipment to stay ahead of our customers needs.

**CNC Machining**

Using "State of the Art" Machinery, Feilhauer's manufactures parts to meet the specific needs of clients in the OEM Market Place. Quality and on time delivery are the cornerstones of Feilhauer's reputation!

**Machined Weldments**

Feilhauer's currently performs all types of precision welding. Feilhauer's process is unique in that the company has the resource of material, experience & machinery to do the job complete in house, in time and on budget!
